Free hospital OPD swap

Swap any scheduled visit for a 3-hour hospital waiting-room accompaniment at no extra cost.

Our 3 non-negotiable safety rules

1. **Female companions are assigned only to women and senior citizens.**
2. **No bedroom entry during home visits.**
3. **Government ID and address verification for every booking.**

100% salaried employees — not gig workers · 5-stage police & psychometric verification · Non-clinical, phone-free presence

How we are different

vs Medical nursing agencies

We are non-clinical: educated companions for conversation, walks, games and hospital waiting rooms, not nurses or attendants.

vs "Rent-a-friend" gig sites

Every companion is a salaried GetCompanion employee with 5-stage police & psychometric verification, not an unvetted gig worker.
